A vibrant, stylized illustration of a diverse group of people. In the foreground, a woman with bright blue hair in pigtails is seen from behind, wearing a purple top with a crisscross back. To her right, a woman with red skin and white hair is shown in profile, wearing a green top. In the background, a woman with a black hat and red skin looks to the right, and another woman with yellow hair in a ponytail is on the left. The style is bold and colorful, with a mix of flat colors and halftone patterns.
